hair removal

Permanent Reduction Hair Removal

The Anthelia IPL Technology is the only machine in the world with a patent to successfully reduce white, blonde, brown, grey and red hair. As well as this, the Anthelia also treats:

- Collagen production, firming fine lines and wrinkles
- Dark hair removal on most skin types
- Acne and rosacea
- Sun damage and pigmentation
- Visible capillaries

The treatment is both non-invasive and comfortable. With safety being a high priority, our fully qualified therapists are focused on getting the best results for you. Consultation is required for all IPL treatments. Price and sessions vary depending on the nature of the treatment.

facials

Sothys Skin Care Sothys treatments and products are targeted towards a number of skin concerns. Contains highly active ingredients to treat anti-aging, hydration, pigmentation and oxygenation. The results are undeniable and a pleasure to receive.

Skin Diagnosis - 60 minutes $65

Our therapists are committed to identifying your skin care concerns and needs, ensuring you receive a treatment plan and appropriate home care advice to achieve the highest results. To get the best outcome, we look at the history of your skin, nutrition and lifestyle, and previous and current skin care.

Sothys Seasonal Care - 60 minutes $110

A treatment concept in harmony with the seasons to give the skin all the essential elements that it needs. Radiance and tone for the Spring/Summer, comfort and nutrition for the Autumn/Winter treatment. Delicious fragrances and an enveloping ambience guaranteed.

deVine Signature Facial - 45 minutes $90

Indulge in a moment of pampering and give your skin a new lease of life. This facial is designed for total relaxation, while your skin is restored to its natural beauty.

Youth Intensive Facial Treatment - 75 minutes $155

One hour and 15 minutes of targeted treatment to combat the signs of ageing. The ultra-sophisticated treatment combines ultra-targeted products with expert application methods, to protect the skin, preserve its beauty and visibly fight against the signs of ageing. Proven results.

Environ – Multi Vitamin Skin Therapy

Environ treatments and home care are based on vitamins AC & E and Beta Carotene. Research conducted in recent years reveals that climate depletes these vitamins and is the major cause of premature ageing of the skin. At deVine we offer treatments and home care to effectively minimise damage and repair skin.

Environ Serum C-Boost Facial - 60 minutes $110

Hydrating and firming for all skin types, this advanced vitamin A & C formulation stimulates collagen production, perfect for a relaxing facial whilst providing the nourishment your skin needs to look and feel amazing. This facial includes a take home week application of C-Boost serum for continual hydration.

Sebu Teen Cleanse - 30 minutes $60

A gentle but deep cleanse and exfoliation for young problem skins. Light, oil free skin care blended with Tea Tree extract specifically for skin balance to restore the natural barrier and refine skin texture, promoting that young, healthy glow. ***Extractions allow 15 minutes - $15***

Environ Resurfacing Peeling - 45 minutes $65

Peels are beneficial for photo-ageing, acne, pigmentation and dull or coarse skin, while reducing the appearance of fine lines. Consultation with your therapist is necessary to determine the strength of peel.
